

# Cartons recycling

## Yes

Long-life & plant based milk cartons

Drink and soup cartons

Tetra Pak packaging

## No

Liquids

Contaminated packaging

Straws

**FACT**

**Around 60,000 tonnes**

of cartons are used every year in the UK - the weight of 349 blue whales.

**Our solution**

Cartons are sent to the UK's only dedicated facility where they separate the layers and recycle each material into new products.
